

10/19/78

cc: JHA  
P. J. F. 10.31.78

BEFORE THE STATE BOARD OF HEALTH  
AND THE  
STATE AIR CONSERVATION COMMITTEE  
STATE OF UTAH

IN THE MATTER OF ESTABLISHING A  
STATE IMPLEMENTATION PLAN AND AIR  
CONSERVATION REGULATIONS IN THE  
STATE OF UTAH.

NOTICE OF HEARING

TO WHOM IT MAY CONCERN:

Please take notice that the Utah Air Conservation Committee and the Utah State Board of Health will jointly conduct hearings for the following purpose: To establish a revised State Implementation Plan and revised Air Conservation Regulations, applicable throughout the State, which are designed to attain and maintain the National Ambient Air Quality Standards.

Authority for conducting the aforementioned hearings is contained in Section 26-15-4 and 26-24-1 through 18, Utah Code Annotated, 1953, as amended.

The Board and the Committee, upon initial consideration, have approved the 10/13/78 draft of the proposed State Implementation Plan and the 10/13/78 draft of the proposed Air Conservation Regulations for public hearing.

The proposed State Implementation Plan addresses the following: Legal authority for air pollution control; requirements for review of new and modified air pollution sources; surveillance of air pollution sources; monitoring of ambient pollutant levels; resources available for an air pollution control program; intergovernmental cooperation; prevention of the significant deterioration of air quality; strategies for control of particulates, sulfur dioxide, carbon monoxide, photochemical oxidants, and nitrogen dioxide; government and public involvement; analysis of the plan impact; Air Conservation Regulations; and emissions inventory.

The proposed Air Conservation Regulations include the following: A foreword which outlines the basis for the regulations and the Committee and Board policy concerning them; a definitions section including several new definitions; a section dealing with general requirements of air pollution control, requirements for periodic reports of emissions from air pollution sources and availability of that information to the public, provisions for control of open burning; a section dealing with control of air pollution installations including requirements for notice of intent to construct and approval orders, the degree of pollution control required of new air pollution sources, control of existing sources including emission limitations in areas of the State which have not attained the National Ambient Air Quality Standards, control of new sources in areas which have not attained standards including provisions for offset of air pollution emissions from new sources, the baseline for determining that offset and banking of offset credits, requirements for emissions testing and emissions inventory; a section dealing with emissions standards including visible emissions, sulfur content of fuels requirements, emissions of sulfur from Kennecott Copper

IP11\_001981

Corporation Smelter, automobile emissions control and control of fugitive dust and fugitive emissions, requirements for continuous emissions monitoring from certain categories of sources and provisions for handling unavoidable breakdowns; a section dealing with the eligibility of pollution control expenditures for sales tax exemptions; an appendix which details the National Standards of Performance for New Stationary Sources; an appendix which details the Federal Prevention of Significant Deterioration of Air Quality Requirements; an appendix which details the National Emission Standards for Hazardous Air Pollutants; an appendix which details the Clearing Index System.

Hearings for the purpose of obtaining comment concerning the proposals, have been scheduled as follows:

December 6, 1978, Little Theatre, Student Union Building, University of Utah, Salt Lake City, Utah.

December 7, 1978 -

- Multipurpose Room, Orem City Center, 56 North State, Orem, Utah.
- Mountain Fuel Auditorium, 45 East 2nd South, Logan, Utah.
- Seminar Room, Library, Southern Utah State College Campus, Cedar City, Utah.
- Courtroom, Sevier County Courthouse, Richfield, Utah.
- Board Room, Uintah County School District Office, 635 West 200 South, Vernal, Utah.
- Room 9, City Hall, Price, Utah.

All hearings are scheduled to begin at 1:00 p.m. and will have evening sessions beginning at 6:30 p.m.

Representatives of political subdivisions, governmental agencies, agriculture, industry, recreation, sports, conservation and planning or civic groups and all other persons within or outside of the State of Utah having interest in said proceedings are invited to appear and present their views relevant to the proposals. Those desiring to make a presentation are requested to apply in writing for the desired time. This request should be received by the Executive Secretary at the address below by December 5, 1978.

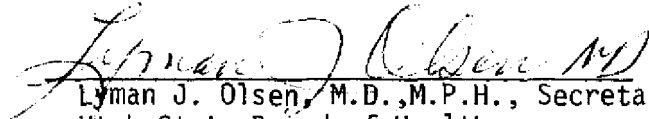

Opportunity will be afforded to any persons desiring to participate. Oral statements will be accepted at the time of the hearing, but for accuracy of the record, written statements are encouraged and will be accepted at the time of the hearing or prior thereto and until 5:00 p.m., December 11, 1978. Statements postmarked December 11, 1978 or earlier will be included in the hearing record. All requests stating time desired as well as any statements mailed in advance should be addressed to: Executive Secretary, Utah Air Conservation Committee, P.O. Box 2500, Salt Lake City, Utah 84110.

Copies of the proposed regulations and plan and an executive summary are available for public inspection at the Utah State Division of Health, Bureau of Air Quality, Room 420, 150 West North Temple, Salt Lake City, Utah; the Bear River District Health Department, 170 North Main, Logan, Utah; Southeastern District Health Department, Silvagni Building, P.O. Box 800, Price, Utah; Southwestern District Health Department, P.O. Box 643, Cedar City, Utah; Utah State Division of Health, 1050 West Market Drive, Vernal, Utah. A technical support

document will be available for public inspection at the Utah State Division of Health, Bureau of Air Quality, Room 420, 150 West North Temple, Salt Lake City, Utah.

Alvin E. Rickers, Executive Secretary  
Utah Air Conservation Committee

Lyman J. Olsen, M.D., M.P.H., Secretary  
Utah State Board of Health
